

### **2008-2009 CONVENOR'S ANNUAL REPORT:**

Since we met last year we have received four Māori Interest Group newsletters to keep us informed. Thank you Bruce for producing *Te Reo* every three months. Their high quality encourages public and university libraries to continue their subscriptions and these help us to buy more resources for our Group.

My thanks go to Brenda JOYCE. She has been a great support this last year as Secretary and Treasurer as well as maintaining contact with Bruce and myself.

Bruce has also been a great support this last year as Editor of *Te Reo* and maintaining our website. Thank you Bruce for your enthusiasm and help.

We are extremely grateful to Celia and Lorraine as our new committee members. We thank all those who sent in articles for *Te Reo* and those who worked to produce the second edition of our Whakapapa research guide.

Kia ora
