**Panmure**

**Auckland, AKD 1741**

**Mēra-hiko/E-mail:**

**[MaoriSIG@genealogy.org.nz](mailto:MaoriSIG@genealogy.org.nz)**

The first edition of our Whakapapa guide was written in 2006, mainly because of recent legislation, has become outdated. The committee worked hard to write an **updated and expanded edition**. This book is also available in many New Zealand public libraries. It discusses the philosophy underlying whakapapa research and includes many more examples of documents that can be accessed and where to find them, useful websites and suggested answers to many frequently asked questions. <sup>BJ</sup>
